The Debtors' service address is 19111 North Dallas Parkway, Suite 200, Dallas, TX 75287.

1. I am a partner in the law firm of Foley & Lardner LLP (“Foley”). Foley maintains offices across the United States, Mexico, Europe, and Asia, including offices in Dallas, Houston, and Austin, Texas. I am the lead attorney from Foley working on the above-captioned chapter 11 cases (the “Chapter 11 Cases”). I am a member in good standing of the State Bar of Texas, and I have been admitted to practice in various courts, including in the United States Bankruptcy Court for the Northern District of Texas. There are no disciplinary proceedings pending against me.

2. I am fully familiar with the facts hereinafter stated and am authorized to make this declaration (the “Declaration”) on behalf of Foley. The information contained in this Declaration is based on my personal knowledge or derived from reviews performed by me or at my direction. To the extent any information disclosed herein requires amendment or modification, I will submit a supplemental declaration.

3. I am in all respects competent to make this Declaration in support of the *Debtors’ Application for Entry of an Order Authorizing the Employment of Foley & Lardner LLP as Counsel to the Debtors Effective as of the Petition Date* (the “Application”),² filed concurrently with this Declaration, pursuant to sections 105(a), 327(a), 329, 330, 331, 1107, and 1108 of title 11 of the United States Code (the “Bankruptcy Code”), Rules 2014 and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rules 2014-1, 2016-1, and 9013-1 of the Local Bankruptcy Rules for the Northern District of Texas (the “Local Rules”).

FOLEY’S QUALIFICATIONS

4. Foley is a full-service law firm with experience and expertise in all facets of legal practice, including bankruptcy, insolvency, corporate reorganization, and debtor-creditor law. As such, Foley possesses the requisite experience and expertise to serve as the Debtors’ general

² Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Application.

bankruptcy counsel. Foley has substantial experience and expertise in chapter 11 cases involving business entities and cases of all sizes, complexity, and scope. Foley has represented debtors, creditors, trustees, purchasers, and other parties in interest before courts in the Fifth Circuit and numerous other jurisdictions throughout the country.

5. The Debtors seek to retain Foley because of Foley's complex chapter 11 experience, as well as its extensive practice before this Court and knowledge of the Local Rules and practice. Foley regularly represents chapter 11 debtors in the Northern District of Texas and throughout Texas, and is thus well qualified by its experience to serve as counsel to the Debtors in these proceedings.

6. In preparing for its representation of the Debtors in these Chapter 11 Cases, Foley has become familiar with the Debtors' business and many of the potential legal issues that may arise in the context of these Chapter 11 Cases. I believe that Foley is well qualified to represent the Debtors in these Chapter 11 Cases in an efficient and timely manner.

SERVICES TO BE PROVIDED

7. The Debtors have requested authority to retain Foley as their attorneys in the Chapter 11 Cases in coordination with lead bankruptcy counsel, Ropes & Gray LLP. The Debtors currently seek to retain Foley, subject to the oversight and orders of this Court, to advise them on the following matters, among others:

- a. Advising the Debtors with respect to the Debtors' powers and duties as debtor-in-possession in the continued operation of the Debtors' business, including the negotiation and finalization of any financing agreements;
- b. Assisting in the identification of assets and liabilities of the Estates;
- c. Assisting the Debtors in formulating a plan of reorganization or liquidation and taking necessary legal steps in order to confirm such plan, including the preparation and filing of a disclosure statement relating thereto;

- d. Preparing and filing on behalf of the Debtors, all necessary applications, motions, orders, reports, adversary proceedings, and other pleadings and documents;
- e. Appearing in Court and to protect the interests of the Debtors before the Court;
- f. Analyzing claims and competing property interests, and negotiating with creditors and parties in interest on behalf of the Debtors;
- g. Advising the Debtors in connection with any potential sale of assets;
- h. Representing the Debtors in any Worker Adjustment and Retraining Notification (“WARN”) Act claims and related adversary proceedings; and
- i. Performing all other legal services for the Debtors that may be necessary in these proceedings, including, but not limited to, analyzing the Debtors’ executory contracts and unexpired leases and potential issues in connection with the assumption and assignment or rejection thereof, analyzing the validity and priority of liens asserted against the Debtors’ property, and advising the Debtors on corporate governance or operational matters to the extent those matters impact the Debtors’ Chapter 11 Cases.

8. Foley will work with Ropes & Gray to minimize any duplication of services and has stated its desire and willingness to act in these Chapter 11 Cases and render the necessary professional services as attorneys for the Debtors.

DISINTERESTEDNESS

9. Foley is required to disclose to this Court any and all connections with the Debtors, their creditors, and other parties in interest. Given the size of these Chapter 11 Cases and the number of Potential Parties in Interest (as defined below), Foley has, or currently is, running connections for the Potential Parties in Interest on an ongoing basis and will update the Application as necessary. Based on the Potential Parties in Interest that a search has been completed for, and insofar as I have been able to ascertain, neither Foley nor any partner, counsel, associate, or professional of Foley nor I have any current connection with the Debtors or any of their creditors,

parties-in-interest, the United States Trustee, or the respective attorneys or accountants of the foregoing, except as set forth in this Declaration.

A. General Disclosures

10. Foley and certain of its partners, counsel, and associates have in the past represented, may currently represent, and likely in the future will represent, parties-in-interest of the Debtors in connection with matters unrelated (except as otherwise disclosed herein) to the Debtors and the Chapter 11 Cases. Foley has conducted a search of its electronic client database to ascertain its connections with parties in interest in these Chapter 11 Cases and to ensure that it is in compliance with the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules regarding employment of professionals by Debtors and debtors in possession. Foley collected this information using the following procedures:

- a. It prepared a comprehensive list of the types of entities that may have contacts with the Debtors, which list was developed through discussions with the Debtors' management and other professionals. It then obtained from the Debtors information that correlated to each type of potential contact.
- b. Using the list of potential types of entities, as well as additional information identified by Foley, it then assembled a list of the names of entities who may be parties-in-interest (the "Potential Parties in Interest"), a copy of which is attached hereto as **Schedule 1**.
- c. Foley has compiled from its conflict clearance and billing records a master database of the names of the entities for which any attorney time charges have been billed (the "Client Database"). The Client Database includes, among other things, the names of current and former clients, the names of the parties who are or were adverse to such clients, and the names of the Foley personnel who are responsible for current matters for such clients.
- d. Foley requested reports from the Client Database for the Potential Parties in Interest and reviewed these reports to identify whether the Potential Parties in Interest are clients or former clients of the firm. The attached

Schedule 2 lists the parties that have been run through Foley's Client Database to date that Foley identified as clients or former clients.³

- e. Foley has reviewed the conflict reports for each party on **Schedule 2** to determine that, to the best of its knowledge, it does not represent any of them in connection with the Debtors or the Chapter 11 Cases.

11. Foley has thus undertaken a detailed review of its files to determine its connections and to make the disclosures contained herein. However, due to the large number of potential parties-in-interest of the Debtors and the fact that Foley has approximately 1,100 attorneys and a broad national and international practice, Foley is currently unable to completely and accurately reflect every possible connection between Foley and the Debtors, their creditors and other parties-in-interest. Consequently, although every reasonable effort has been made to discover and disclose any connections Foley may have with any party in interest in this case, including the efforts outlined above, Foley is unable to state with certainty that every client or entity affiliated with a client has been disclosed. Foley is conducting a continuing inquiry into any matters that would affect the firm's disinterested status, and I will promptly file a supplemental affidavit setting forth the results of that inquiry if additional disclosure is required.

12. As set forth above and in the attached Schedules, Foley represents or has connections with certain of the Debtors' creditors or other parties in interest in ongoing matters unrelated to the Debtors and the Chapter 11 Cases. No representation described herein is materially adverse to the interests of the Debtors' Estates or any class of creditors or thereof. Moreover,

³ On **Schedule 2**, the term "current client" means a client with an open matter number. The term "former client" means a client for whom either (1) time was posted in the last thirty-six (36) months, but a matter number is not currently open at this time, or (2) a matter number is open, but no time has been posted in the last thirty-six (36) months. With respect to current clients identified on **Schedule 2** and/or in the "Specific Disclosures" section below, Foley will not commence a cause of action in these Chapter 11 Cases against any such persons or entities unless Foley: (1) possesses an applicable waiver on file or (2) obtains a waiver from such current client to commence such an action. To the extent that a waiver does not exist or is not obtained from one of Foley's current clients, and it is necessary for the Debtors to commence an action against that entity, the Debtors will obtain conflicts counsel in connection with such litigation or cause of action, as appropriate. To the best of my knowledge, so such litigation is contemplated as of this time.

pursuant to section 327(c) of the Bankruptcy Code, Foley is not disqualified from acting as the Debtors' counsel merely because it represents the Debtors' creditors, equity security holders, or other parties-in-interest in matters unrelated to the Chapter 11 Cases.

13. Additionally, Foley regularly appears in cases, proceedings, and transactions involving many different attorneys, accountants, financial consultants, and investment bankers, some of which now or may in the future represent claimants, creditors, or parties in interest in these Chapter 11 Cases. Based solely on the Disclosure Procedures, Foley does not and will not represent any such entities in relation to these Chapter 11 Cases. Moreover, Foley does not have a relationship with any such entities, attorneys, accountants, or financial consultants that would be adverse to the Debtors.

14. As a result of the foregoing, neither Foley, any partner, counsel, or associate of the firm, nor I—insofar as I have been able to ascertain—holds or represent any interest adverse to the Debtors or their Estates in matters upon which we are to be engaged. I am not aware of any claims that Foley holds or would hold against the Debtors. To the extent that I become aware of any additional relationship that may be relevant prior to the Court's determination of the Application, I will promptly file a supplemental declaration disclosing such information. Additionally, out of an abundance of caution, and subject to Court approval, Foley will obtain conflicts counsel if and when needed to represent it in all matters in which Foley may have a conflict in its representation of the Debtors in the Chapter 11 Cases. Foley will not represent any person or entity in a transaction with the Debtors that may conflict with Foley's representation of the Debtors in the Chapter 11 Cases.

B. Specific Disclosures

15. As mentioned above, Foley is continuing to search for any connections to the Potential Parties in Interest and will supplement the Application as necessary. To date, and except as provided below, Foley has not identified any relationships with certain parties in interest that require additional description and/or context in connection with this Application.

16. In addition to the connections set forth on the attached Schedule 2, Foley has relationships with certain parties in interest that require additional description and/or context in connection with this Application.

Wells Fargo Bank, N.A.

17. Prior to and following the Petition Date, Foley has represented and will continue to represent Wells Fargo Bank, N.A. ("Wells Fargo") and certain of its affiliates, subsidiaries, and divisions in matters unrelated to the Debtors. As described in more detail in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, (D) Continue Certain Intercompany Transactions, and (II) Granting Related Relief* [Docket No. 13], one of the Debtors' bank accounts, along with a non-Debtor affiliate, is currently located at Wells Fargo.

18. Foley's past and present unrelated representation of Wells Fargo will have no impact or influence whatsoever on its duties and responsibilities on behalf of the Debtors in the Chapter 11 Cases. To my knowledge, none of the personnel that Foley anticipates will be involved with these Chapter 11 Cases have represented or are currently representing Wells Fargo, and Foley will take all appropriate steps to ensure that any Foley personnel representing the Debtors are unable to access confidential information of Wells Fargo and vice-versa, including erecting an ethics screen between the teams providing services to each. Should any conflict arise between

Foley's proposed representation of the Debtors and Wells Fargo, the Debtors, subject to Court approval, will obtain conflicts counsel to handle such matters.

US Bank

19. Prior to and following the Petition Date, Foley has represented and will continue to represent US Bank ("US Bank") and certain of its affiliates, subsidiaries, and divisions in matters unrelated to the Debtors. As described in more detail in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, (D) Continue Certain Intercompany Transactions, and (II) Granting Related Relief*[Docket No. 13], one of the Debtors' bank accounts is currently located at US Bank.

20. Foley's past and present unrelated representation of US Bank will have no impact or influence whatsoever on its duties and responsibilities on behalf of the Debtors in the Chapter 11 Cases. To my knowledge, none of the personnel that Foley anticipates will be involved with these Chapter 11 Cases have represented or are currently representing US Bank, and Foley will take all appropriate steps to ensure that any Foley personnel representing the Debtors are unable to access confidential information of US Bank and vice-versa, including erecting an ethics screen between the teams providing services to each. Should any conflict arise between Foley's proposed representation of the Debtors and US Bank, the Debtors, subject to Court approval, will obtain conflicts counsel to handle such matters.

PROFESSIONAL COMPENSATION

A. Prepetition Compensation

21. Prior to the Petition Date, Foley was compensated and received payment for services provided to the Debtors prior to the Petition Date for pre-bankruptcy negotiations and bankruptcy preparation in the amount of \$60,000.00, plus \$47,000.00 in Court filing fees for the

filings of the petitions in these Chapter 11 Cases. Foley applied the full amount of the payment to fees incurred prior to the Petition Date but continues to hold the \$47,000.00 for expenses incurred prior to the Petition Date due to Foley's internal expense payment process. Accordingly, as of the Petition Date, Foley is not holding a retainer balance in connection with its representation of the Debtors, except for the \$47,000.00 for reimbursement of these expenses.

B. Postpetition Compensation

22. On November 29, 2024, the Debtors filed the *Emergency Motion for Entry of an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Professionals* [Docket No. 255] (the "Interim Compensation Motion"). Pursuant to the Interim Compensation Motion, if granted, Foley intends to apply for compensation for professional services rendered on behalf of the Debtors on an hourly basis, as is customary, and reimbursement of expenses incurred in these Chapter 11 Cases. At all times Foley will take all reasonable and necessary steps to comply with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable orders of the Court.

23. During these Chapter 11 Cases, Foley has agreed to be compensated at its customary hourly rates for services rendered plus reimbursement of actual and necessary expenses. As of November 27, 2024, the current hourly rates of the attorneys expected to bear primary responsibility for this matter range between \$690 and \$1,150. The hourly rates of paraprofessionals expected to bear primary responsibility for this matter range between \$300 to \$350.

24. Foley will utilize their subject-matter experts within the firm as may be necessary to assist the Debtors on any particular issue that may arise during these Chapter 11 Cases. Foley's hourly rates are set at a level designed to compensate Foley fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. Hourly rates vary with the experience

and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions, although Foley will provide prior notice to the Debtors before any upward adjustments.

25. The Chapter 11 Cases have been jointly administered, and Foley will act as counsel for the Debtors simultaneously and its activities will be substantially on behalf of the Debtors. Accordingly, the Debtors have agreed, and request authority of this Court, to be jointly and severally liable for Foley's allowed fees and expenses. Foley does not intend to bill each Debtor separately or allocate its time among the individual Debtors in these Chapter 11 Cases.

26. Consistent with the firm's policy with respect to its other clients, Foley will continue to charge the Debtors for all other services provided and for other charges and disbursements incurred in the rendition of services. These charges and disbursements include, among other things, costs for photocopying, travel, business meals, computerized research, messengers, couriers, postage, witness fees, and other fees related to trials, hearings, and other proceedings that may arise from time to time in this case. Charges and disbursements are invoiced pursuant to Foley's terms of engagement and will comply with the United States Trustee's guidelines for fees and disbursements for professionals in the Northern District of Texas bankruptcy cases.

27. Pursuant to Bankruptcy Rule 2016(b), Foley has not shared nor agreed to share (a) any compensation it has received or may receive with another party or person, other than with the partners, associates, and contract attorneys associated with Foley or (b) any compensation another person or party has received or may receive.

C. Statement Regarding UST Guidelines

28. In addition to compliance with the applicable provisions of the Bankruptcy Code, Bankruptcy Rules, and Local Rules, Foley also intends to make a reasonable effort to comply with the United States Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorney's in Larger Chapter 11 Cases Effective as of November 1, 2013* (the “Revised UST Guidelines”), both in connection with this application and in connection with the interim and final fee applications to be filed by Foley during the course of these Chapter 11 Cases. The following is provided in response to the request for additional information set forth in Paragraph D.1 of the Revised UST Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: No.

Question: Do any of the professionals included in this engagement vary their rate based on geographic location of the bankruptcy case?

Response: No.

Question: If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed post-petition, explain the difference and the reasons for the difference.

Response: Like many firms of comparable size, Foley periodically adjusts the hourly rates of its timekeepers, typically on February 1. As set forth above, the current hourly rates of the attorneys expected to bear primary responsibility for this matter range between \$690 and \$1,150. The hourly rates of paraprofessionals expected to bear primary responsibility for this matter range between \$300 to \$350. The only rate adjustment was for Foley's annual rate modification effective each February 1st.

Question: Has your client approved your prospective budget and staffing plan, and, if so for what budget period?

Response: Foley has provided a good faith estimate of its expected fees and expenses during the course of these Chapter 11 Cases, along with the staffing plan outlined in the Application. The Debtors incorporated such good faith estimates into the budget(s) associated with the orders authorizing the use of cash collateral approved by this Court in these Chapter 11 Cases; provided, however, Foley has not agreed to take this representation on a fixed fee and any amounts set forth in any budget, including any cash collateral or DIP budgets, are for estimation purposes only.

29. I have read the Application of the Debtors accompanying this Declaration for an order approving the retention of Foley, as attorneys, and, to the best of my knowledge, information and belief, the contents of said Application are true and correct.

30. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Executed at Dallas, Texas on this 29 day of November, 2024.
